Dear Dave

Wynford House - Extensions

I would like to thank you in particular for the way that you handled the management of the contract and I would also like to express my thanks to all the contractors, in particular to Midas. I thought Midas did an excellent job, especially having to work on a site which was fully operational, their co-operation and management of the project with the staff here was first class.

My very best wishes to you for 2010 and I look forward to seeing you shortly.

Best wishes

John Cape
